PLANNING COMMISSION ACTION AND DISPOSITION

Planner In Charge:

Kelsey Bousquet

Staff Recomm. (Abbr.):

Approve the RA (Low Density Residential) zone because it is consistent with the Knox County Comprehensive Plan and surrounding development.

Staff Recomm. (Full):

Comments:

PURSUANT TO THE KNOX COUNTY ZONING ORDINANCE, ARTICLE 6.30.01, THE FOLLOWING CONDITIONS MUST BE MET FOR ALL REZONINGS (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND ZONES AFFECTED, OR IN THE COUNTY GENERALLY.

1. Development trends in the surrounding area have been primarily residential, consisting largely of single-family dwellings and townhouse developments. Since the mid-1980s, the area has gradually transitioned from A (Agricultural) zoning to residential zoning, such as RA (Low Density Residential) and PR (Planned Residential) with up to 4 and 5 du/ac.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSES OF THE APPLICABLE ZONING ORDINANCE.

1. The RA zone provides for residential areas with low population densities. The RA zone is compatible with the surrounding zoning, which includes properties zoned A, RA, and PR with up to 4 and 5 du/ac.
2. Rezoning should be based on the entire range of uses allowed within a zone to ensure that any development brought forth at a future time would be compatible with the surrounding land uses. The allowable uses in the RA zone, which are primarily residential and civic in nature, align with the area's surrounding character.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AN AMENDMENT.

1. The RA zone is considered a low-density residential zone intended to protect the residential environment from the encroachment of uses that do not perform a necessary function to the residential environment. As such, it is not anticipated to adversely impact the surrounding area, which is mainly residential.

PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE COMPREHENSIVE PLAN OF KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. The subject property's place type is SR (Suburban Residential) in the Knox County Comprehensive Plan. The RA zone is directly related to the SR Place Type. The housing mix of the SR place type calls for predominantly single-family dwellings with lots smaller than one acre and attached residential dwellings such as duplexes, both of which are permitted in the RA zone.

2. The recommended rezoning complies with the Comprehensive Plan's Implementation Policy 2, to ensure that new development is sensitive to existing community character. The lot sizes and allowable uses in the RA zone are consistent with other residential developments in the area.

3. The subject property is within the Planned Growth Area of the Growth Policy Plan, which encourages a reasonably compact development pattern. The allowable lot sizes and housing types in the RA zone support the intent of the Planned Growth Area.

Action:

Approved

Meeting Date: 1/9/2025

Details of Action:

Summary of Action:

Approve the RA (Low Density Residential) zone because it is consistent with the Knox County Comprehensive Plan and surrounding development.
