PLANNING COMMISSION ACTION AND DISPOSITION

Planner In Charge: Spencer Schmutde

Staff Recomm. (Abbr.): The concept plan indicating the overall layout and design for this plat was approved on 6/8/2023 as Planning Case 6-SA-23-C. Per Subdivision Regulations, Sections 2.08.A and 2.10.F, the final plat must be in substantial conformance with the approved concept plan. Planning staff affirms that this plat is in substantial conformance with the concept plan and recommends approval.
The last revision of the final plat was received after the corrections deadline as Planning staff notified the surveyor of a typographical error without sufficient time for the surveyor to make corrections. Planning staff has allowed the plat to remain on the agenda in accordance with Section 2.10.C.6, which states the nine-day final plat correction deadline may be waived with just cause. Additionally, revisions to the final plat were submitted in time to be included in the Planning Commission documentation.
